

A Note from the RCMC Board

Email Communication: RCMC is now using email as its primary means of communication with members. Notifications, reminders of upcoming tournaments, tournament results, applications, etc., will be sent via email. ***Please provide a current active email address so we can keep you up to date with all club activities and information.***

Tournaments: When you sign up for a tournament, the Tournament Committee makes every effort to keep you in the time slot you requested. However, sometimes tee times must be changed for any number of reasons. It is the ***players' responsibility to call the pro shop*** the day prior the tournament ***to confirm tee time.***

Wednesday, Thursday and Saturday Play: We encourage all players to sign up for play the day before. The City allots a limited number of tee times which can fill up, especially during the warmer months. Please call in as far in advance as possible. Same day call ins are not guaranteed to get on the list for that day.

Cancellations: If you are signed up to play and need to cancel for any reason, please ***call the pro shop a minimum of 1 hour before the game starts.*** This will make sure you will not be chosen for a team and will be scratched. Failure to cancel may result in suspension.
