

RC Putters Golf Day Instructions for 2022

- ✓ To constitute an official game day there needs to be at least 8 members playing.
- ✓ Pay your green fee at the Pro Shop. Scorecards and pencils are located near the cash register. Scorecards are also available at the 1st tee.
- ✓ You are to arrive at the 1st tee no later than 10 minutes before your scheduled tee time.

Preparation and Completion of Your Scorecard

Enter your group A, B, or C in the “Handicap” space located on the top left side of the scorecard below “White Tee”. To determine your group, refer to the Handicap Directory posted on the bulletin board in the clubhouse meeting room.

NOTE: In order to have a handicap, you need to have played 5 games. Janice Gordon calculates handicaps and will post them upon completion of 5th game.

1. Enter your **first and last name** on first blank line directly under “Handicap”, located on the left side of the card.
2. Enter your **handicap score** on the same line as your name, above the initials “HCP” on right side of card.
3. Enter the word **“Putts”** on the next blank line beneath your name. Your putt scoring is OPTIONAL with exception of a scheduled Day’s Play that would require a putt score.
4. Enter **“Day’s Play” and the assigned day’s play description** on the 3rd blank line directly beneath the “Putts” line. For example, if the assigned Day’s Play is “High Gross”, you would write *High Gross* on this line. The Day’s Play for each game can be found on the RC Putters 2022 Schedule located on the bulletin board in the clubhouse meeting room.
5. After you have completed above steps 1-5, submit your card to one of your golf partners in your scheduled tee time slot. This person is known as the **Scorer**, who will be recording your scores.
6. After the game, the Scorer will calculate your gross and net scores as follows:
 - **Gross Score:** Addition of scores for the 9 holes played. This total will be entered on the same line as your name, directly after the 9th hole score and again to left of Handicap score.
 - **Net Score:** To establish your Net Score subtract your handicap from your Gross Score. **Example: Net Score = 43 (Gross) minus 18 (handicap) = 25 Net Score.** This score will be entered on the same line as your name in the far right column above NET.
7. When the Scorer finishes her gross and net score entries, she will sign her name in the “Scorer” space located in the lower left corner. She will then return the card to you.
8. Upon return of your card, determine your Day’s Play score and enter it to the right of the Day’s Play description.
9. Sign and date your scorecard in the “Attest” and “Date” spaces located in the lower right corner.
10. On your group’s Day’s Play Tally Sheet: 1) Print your first and last name 2) Enter your Day’s Play score
11. Place your completed scorecard in your respective group’s bag A, B, or C. These bags are located next to your group’s Day’s Play Tally sheet on the table in the meeting room.
