Preparation and Completion of Your Scorecard

NOTE: In order to establish an OGA handicap, you have to play a total of 54 holes which can be attained by one of the following: 1) Six 9 nine holes, 2) Three 18 holes, or 3) a combination of 18 & 9 hole games totaling 54 holes.

1. Enter your group A, B, or C in the Handicap space located on the top left side of the scorecard below "White Tee". To determine your group, refer to the Handicap Directory posted on the bulletin board in the clubhouse meeting room.
2. Enter your first and last name on first blank line directly under "Handicap", located on the left side of the card.
3. Enter your handicap score on the same line as your name, above the initials "HCP" on right side of card.
4. Enter the word "Putts" on the next blank line beneath your name. Your putt scoring is OPTIONAL with exception of a scheduled Day's Play that would require a putt score.
5. Enter "Day's Play" and the assigned day's play description on the 3rd blank line directly beneath the "Putts" line. For example, if the assigned Day's Play is "High Gross", you would write *High Gross* on this line. The Day's Play for each game can be found on the RC Putters 2023 Schedule located on the bulletin board in the clubhouse meeting room.
6. After you have completed above steps 1-4, submit your card to one of your golf partners in your scheduled tee time slot. This person is known as the **Scorer**, who will be recording your scores.
7. After the game, the Scorer will calculate your gross and net scores as follows:
 - **Gross Score:** Addition of scores for the 9 holes played. This total will be entered on the same line as your name, directly after the 9th hole score and again to left of Handicap score.
 - **Net Score:** To establish your Net Score subtract your handicap from your Gross Score. **Example: Net Score = 43 (Gross) minus 18 (handicap) = 25 Net Score.** This score will be entered on the same line as your name in the far right column above NET.
8. When the Scorer finishes her gross and net score entries, she will sign her name in the "Scorer" space located in the lower left corner. She will then return the card to you.
9. Upon return of your card, determine your Day's Play score and enter it to the right of the Day's Play description.
10. Sign and date your scorecard in the "Attest" and "Date" spaces located in the lower right corner
11. Complete your group level Day's Play sheet: 1) Print first and last name 2) Enter your Day's Play score
12. **Take a picture of your scorecard so that you can enter your scoring online at oga.org**
13. Place your card in the A, B, or C bag labeled "Completed Scorecards". These bags are located next to your group's Day's Play Tally sheet on the table in the meeting room.
14. **Enter your game day's scoring online at oga.org (see separate written procedures for online entry). Note: The Clubhouse has a computer onsite to make your entry.**
